The Library Supply Company Limited

Environmental Policy

The Library Supply Company is a specialist distributor of books and audio visual materials to public libraries and, through commitment to excellence, we want to be a preferred supplier to all New Zealand City and District Council libraries.

We believe that we have a responsibility to care for and protect the environment in which we operate. We are fully committed to improving environmental performance across all of our business activities, and will encourage our business partners and members of the wider community to join us in this effort.

The company is committed to operating in a sustainable and environmentally responsible manner. We will comply with all relevant regulations and are committed to continual improvement and prevention of pollution. We will implement an environmental policy and work towards accreditation.

We will strive to reduce waste, reduce energy consumption, reduce paper use by moving to electronic media, and recycle surplus stock responsibly.

We will communicate our environmental policy to our suppliers, our staff and our customers.

We will encourage, and where required train staff to help us meet our objectives.

As sole proprietor and managing director of The Library Supply Company, I am fully committed to the company's environmental policy.
